Tila Weave Band

STEP 1: Thread your needle with a length of FireLine that you feel comfortable working with and add more as you need it.

Leaving about a 14-inch tail for attaching the clasp, go through the bottom hole of a Tila bead. String a Color1 seed bead, a Color2 seed bead and a Color1 seed bead. Go through the bottom hole of a Half Tila bead. String a Color1 seed bead. Go through the bottom hole of another Tila bead:

NOTE: You will not be making a knot until Step 5 so keep the tension tight and hold onto this tail thread for now.

STEP 2: String three Color2 seed beads, go around and through the top hole of the Tila bead that you just exited (highlighted in **RED**):

STEP 3: String a Color1 seed bead and go across through the top hole of the Half Tila bead that you added in Step 1 (highlighted in **RED**):

STEP 4: String a Color1 seed bead, a Color2 seed bead and a Color1 seed bead. Go across through the top hole of the Tila bead that you added in Step 1 (highlighted in **RED**):

STEP 5: String three Color2 seed beads. Grab your tail thread and tie a tight double knot:

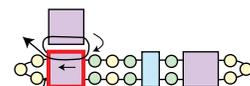

STEP 6: Go around through the beads highlighted in **RED** so that you are exiting from the top hole of the left-most Tila bead:

You've just completed Row 1.

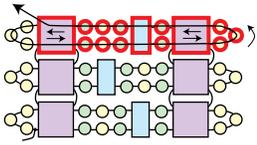

STEP 7: To start Row 2, string a new Tila bead.

Go around and back across through the top hole of the Tila bead that you just exited (highlighted in **RED**):

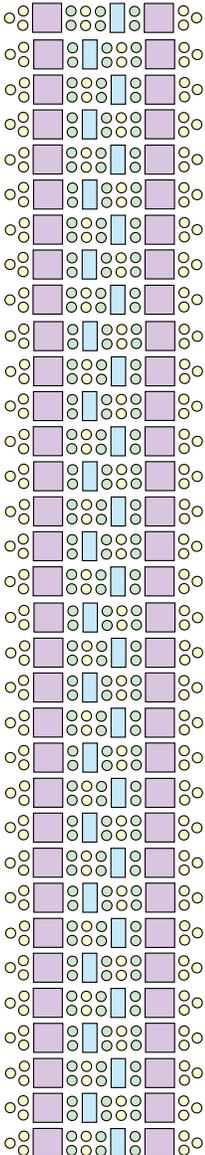

STEP 24: String three Color2 seed beads.

Go around through the beads highlighted in **RED** so that you are exiting from the top hole of the left-most Tila bead:

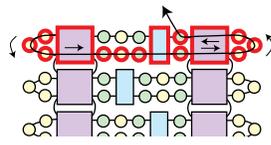

You've just completed Row 3.

STEP 25: Repeat Step 7 to Step 24 (Row 2 and 3)—ending with a repeat of either Step 15 or Step 24—until your band is the length you want it, *minus* about a half-inch *and* the length of your clasp:

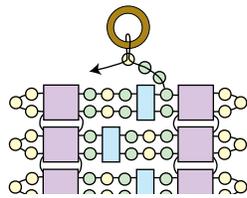

STEP 26: To attach one end of the clasp, go back around through the beads highlighted in **RED** so that you are exiting out of the Color1 seed bead next to the top right-most Tila bead:

STEP 27: String two Color1 seed beads and a Color2 seed bead.

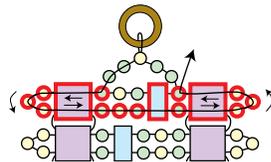

Go through the clasp and then back down through the Color2 seed bead that you just strung:

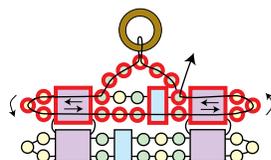

NOTE: To make your band longer, just add more beads than directed in this step and the next.

STEP 28: String two more Color1 seed beads.

Go back around through the beads highlighted in **RED**:

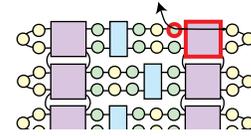

STEP 29: Go back around through the beads highlighted in **RED** and the clasp several times:

Weave back into the bracelet, knot in several places and then cut your thread.

STEP 30: To attach the clasp to the other end of your bracelet, thread your needle with the tail thread from Step 1.

Go across through the beads highlighted in **RED**:

Repeat Steps 27-29.
